MAGGIE- AN EAGLE EYED PAL

Maggie: An Eagle-Eyed Pal

This is Maggie. She's a magnifying glass. Maggie loves to find small things that are worth looking at more closely. She's quite helpful that way.

Since she's not very big herself, some people find her easy to overlook. But

she's a true friend who's far more than meets the eye—especially when it comes to her chum, PI Guy.

If you keep coming back to *pluggedin.com*, you'll get to read more about Maggie and her adventures with PI Guy!
