THE TALE OF
ONE LITTLE
PIG AND HIS
BEST FRIEND

PI GUY-
TO THE
RESCUE!

PI Guy to the Rescue!

If you're curious about how Norbert (the PI Guy) and Maggie met, here's how the story goes:

The two met one day when PI Guy was cutting through the park. He spotted bullies picking on little Maggie.

PI Guy had just seen a movie in which the good guy defended someone in trouble. So he decided to do the same. He bravely stepped in and convinced those two meanies to leave Maggie alone. She and PI Guy became fast friends. ➤

PI Guy to the Rescue!

In fact, ever since that day, Maggie has looked up to her pink, porcine pal. And not just because he's so tall.

She secretly thinks he's a hero, and would follow him anywhere. *(But she'd be embarrassed if you told anyone.)*
